As all gamblers and most businessmen know, there are very few sure things in this world to bet on. This is especially true in the record business. But when David Houston and Tammy Wynette first shared a microphone not too long ago and recorded a song called "My Elusive Dreams," we knew we had an elusive dream of our own coming true, the once-in-a life-time sure thing.

The success of "My Elusive Dreams" has been greater than we even dared to hope for, not only among country music fans, to whom David and Tammy are quite well known, but to an amazing number of pop fans as well.

This new Epic album features a collection of David Houston/Tammy Wynette duets, every one as exciting as the popular title song. You'll hear David and Tammy sing such current favorites as "Hey, Good Lookin'," "Somethin' Stupid" and "It's All Over." In addition, David sings alone on "Clinging Vine," and Tammy solos on "Set Me Free."
