### BEDTIME STORY

Once upon a time there was a castle. And in this castle lived a king and queen. And it came to pass, they both were blessed by one little blue-eyed princess, with the softest golden curls you've ever seen! But then, one day he met this pretty lady. And she had lots of pretty words to say—and this part makes your mommy and 'cause, oh, what big eyes she had—and she took his hand and led him far away.

Then it came to pass the king grew lonely and the pretty lady wasn't all she seemed. He realized that he was wrong and started his long journey home, for he missed his little princess and his queen. Then he was back and side inside his castle and tears of joy come pouring down like rain. Then the castle rang with laughter and they lived happy ever after, knowing he would never leave again.
